Sri GANJI VEERAPPA.—May I know whether this decision to take the Central College from the University to the Government is opposed to the recommendation of Dr. Lakshmanaswami Mudaliar Report?

†Sri S. R. KANTHI.—Yes.

Sri GANJI VEERAPPA.—What were the compelling reasons to take over the Central College to the Government?

Sri S. R. KANTHI.—The policy of the Government in this respect was so far as possible the colleges at the seat of the University to go over to the University and the rest of the Colleges should be taken over by the Government.

Sri GANJI VEERAPPA.—With regard to the U.G.C. grant, are the Government aware that the U.G.C. gives grants only to those colleges which have post-graduate courses and research facilities?

Sri S. R. KANTHI.—Yes.

Sri GANJI VEERAPPA.—Is it not a fact that on account of this decision the Central College will not get the grant that it used to get from the U.G.C.?

Sri S. R. KANTHI.—Sir, there is a wrong impression that the Central College is not entitled to get the U.G.C. grant. I had a personal talk with the Secretary of U.G.C. and I find that out of 180 colleges under State Government and private agencies, 80 of them are getting U.G.C. grant. It is possible for us to get the U.G.C. grant so far as the post-graduate courses and research are concerned.

Sri ANNA RAO GANAMUKHI.—Whether the U.G.C. has laid down a definite policy that the University should concentrate on post-graduate work and research and that they should not run any under-graduate courses and therefore the Central College is an under-graduate college primarily?

Sri S. R. KANTHI.—It is not exactly like that. So far as the University is concerned, it should concentrate on post-graduate and research studies. But the other colleges are not barred from having post-graduate courses.

Sri G. DUGGAPPA.—May I know from the Government whether post-graduate study is taken up in the Central College?

Sri S. R. KANTHI.—In science, post-graduate studies have been started and we are actively thinking of starting post-graduate studies in Humanities in the Bangalore Central College.

Sri ANNA RAO GANAMUKHI.—Whether it is a fact that in the adjoining State like Bombay, the post-graduate courses are being run by the Government and not by the University ?

Sri S. R. KANTHI.—I have no idea about it, Sir.

Sri G. VENKATAI GOWDA.—Is it not a fact that the Central College does not desire to have post-graduate courses opened and if it is otherwise, whether the Government have taken steps to provide for research and post-graduate courses ?

Sri S. R. KANTHI.—I have already said that in the Central College at Bangalore, post-graduate studies in science subjects are being conducted. This year we are actively thinking whether we can have post-graduate courses in Humanities as wellt

Sri S. SHIVAPPA.—Is it not a fac. that the U G.C. has specifically instructed the University that post-graduate courses must be taken over by the University and that other colleges which do not have the post-graduate courses should be taken over by the Government ?

Sri S. R. KANTHI.—That was the contention of the Mysore University. I must make it clear here that the Mysore University contended before the University Education Integration Committee that the research and post-graduate studies should be only under the University and that they should be separated from the graduate and under-graduate studies. But that has not been accepted, Sir.

Sri S. SHIVAPPA.—Is it not a fact that the Central College, though it had post-graduate courses, which should have been under the University, was purposely transferred to the Government and to that extent the Central College suffered in post-graduate courses ?

Sri S. R. KANTHI.—I am not aware of any suffering at all. I have already said that the Central College is having post-graduate studies in science and in humanities as well. The point at issue is that the Central College was not transferred by the University but was taken over by the Government because they did not want the Central College which is away from the seat of the University to go to them. Instead, they gave the Yuvaraja's college to the University.

Sri GANJI VEERAPPA.—Are the Government aware that the Syndicate has been repeatedly urging the Government to hand over the Central College to the University ?

Sri S. R. KANTHI.—Yes.

Sri S. SHIVAPPA.—Is it not a fact that in 1957-58 the U.G.C. allotted a sum of Rs. 35 lakhs for development of science in the Central College because the Central College was transferred to the Government ?

Sri S. R. KANTHI.—I am not aware of it.

Sri C. J. MUCKANNAPPA.—May I know the difficulties confronting the Government in transferring the Central College to the University ?

Sri S. R. KANTHI.—I have already made it clear that the policy of the Government is to hand over certain of the colleges which are at the seat of the University. In other places the Government wants to keep the colleges with it. This is the policy also in regard the Karnatak University. The colleges at the seat of the Karnatak University are with the University.

Sri G. DUGGAPPA.—May I know from Government whether it received any grant from the University Grants Commission for starting post-graduate courses in the Central College ?

Sri S. R. KANTHI.—We had not made any representation to the U.G.C. We have made a representation recently and we are hopeful about it.

Sri D. M. SIDDAIAH.—Will the Government reconsider the question of transferring the colleges to the University ?

Sri S. R. KANTHI.—We are going far ahead. We are thinking in terms of a Bangalore University.

Sri G. VENKATAI GOWDA.—If the policy of the Government is to hand over the colleges at the seat of the University to the University itself, may I know why the Government could not give the Engineering College to the Univer ity ?

Sri S. R. KANTHI.—That was only an exception.

Sri ANNA RAO GANAMUKHI.—May I know whether the private colleges all over the State and especially in Bangalore are asking the Government or the University to open post-graduate courses ?

Sri S. R. KANTHI.—The demand for post-graduate studies in private colleges is also there. If we start the post-graduate courses in humanities in the Central College, naturally the demand would have been met.

Sri G. VENKATAI GOWDA.—The Minister was pleased to say that there was likelihood of a University for Bangalore. If that is so, will the Government assure that the Central College would be handed over to that University ?

Sri S. R. KANTHI.—It is a hypothetical question.

Sri S. SIVAPPA.—Will the Government think of the desirability of transferring the Central College to the University, which is a premier college in post-graduate courses in the whole State, to fall in line with the view of the University Grants Commission that all post-graduate and research works should be under the direct control of the University ?

Sri S. R. KANTHI.—There is no such idea of transferring the Central College because of the reasons stated by my Hon'ble friend, as we are thinking in terms of having a University for Bangal re.

ಶ್ರೀ ಸಿ. ಜೆ. ಮುಕ್ಕಣ್ಣಪ್ಪ.—ತಾವು ಎಂಜಿನಿಯರಿಂಗ್ ಕಾಲೇಜನ್ನು ಯಾವ ಯಾವ ತತ್ವಕ್ಕೆ exception ಆಗಿ ಪರಿಗಣಿಸಿ ಯೂನಿವರ್ಸಿಟಿಗೆ ಸೇರಿಸಿದ್ದೀರೋ, ಅವೇ ಆಧಾರಗಳ ಮೇಲೆ, ಸೆಂಟ್ರಲ್ ಕಾಲೇಜನ್ನೂ exception ಎಂದು treat ಮಾಡಿ ಯೂನಿವರ್ಸಿಟಿಗೆ ವರ್ಗಾವಣೆ ಮಾಡುವುದಕ್ಕೆ ಸರ್ಕಾರಕ್ಕೇನು ತೊಂದರೆಯಿದೆ ?

ಶ್ರೀ ಎಸ್. ಆರ್. ಕಂಠಿ.—ಏನು ಕೊಂದರೆ ಯೆಂಬುದು ಸರ್ಕಾರದವರಿಗೇ ಗೊತ್ತು.

ಶ್ರೀ ಸಿ. ಜೆ. ಮುಕ್ಕಣ್ಣಪ್ಪ.—ತಾವು 'Exceptional Cases ಎಂದು ಹೇಳಿದಿರಲ್ಲಾ, ಅವೇನು ?

ಶ್ರೀ ಎಸ್. ಆರ್. ಕಂಠಿ.—ಒಂದು ಟೆಕ್ನಿಕಲ್ ಕಾಲೇಜನ್ನು ಯೂನಿವರ್ಸಿಟಿಗೆ ಕೊಡಬೇಕಾಗಿತ್ತು. ಅದರಂತೆ ಬೆಂಗಳೂರಿನ ಇಂಜಿನಿಯರಿಂಗ್ ಕಾಲೇಜ್ ಕೊಡರಾಗಿದೆ.

Sri G. VENKATAI GOWDA.—Yes....

Sri GANJI VEERAPPA.—In view of the recommendations of the Lakshmanaswamy Mudaliar Committee, have Government thought of constituting advisory bodies to advise the Director of Collegiate Education in the matter of administration of the colleges ?

Sri S. R. KANTHI.—There is an advisory body called the Mysore State College Education Advisory Body.

Amount outstanding from Taluk Boards towards the maintenance of Dispensaries and Health Units in the State.

*Q.—281. Sri S. A. VASANNA SETTY (Sakleshpur).—

Will the Government be pleased to state :—

(*a*) the amount outstanding from Taluk Boards towards the maintenance of Dispensaries and Health Units in the State;

(*b*) whether it is not a fact that some of the Taluk Boards represented that they are not in a position to pay their quota and requested the Government to provide the required amount from general funds of the Health Department ?

A.—Sri K. NAGAPPA ALVA (Minister for Health).—

(*a*) A total sum of Rs. 60,42,677.70 was due from the District Boards of the Old Mysore area to the end of 1959-60. As the Taluk Boards are the successors of the District Boards, the arrears are to be paid by the Taluk Boards.

(*b*) Representation in the form of resolutions passed by the Taluk Boards pleading their inability to pay the arrears of contributions due to their poor financial position, have been received by the Director of Public Health from 3 Taluk Boards of Koratagere, Davangere and Hadagalli. They have requested that the entire expenditure of the dispensaries may be met by Government.
